

Promote commercial and economic opportunities in Cote d'Ivoire

Project Title	Promote commercial and economic opportunities in Cote d'Ivoire
Project Summary	Promote commercial and economic opportunities in the dynamic economy of Cote d'Ivoire through clear and concise analysis, data visualization, and skill with creating visually appealing documents that are appealing and show creative presentation. French very helpful.
Country	Cote d'Ivoire
Agency	Department of State
DoS Office	N/A
Post	ABIDJAN
Section	ECON
Number of Interns	1

Project Description

The internship will have three parts.

The first part will involve doing economic analysis on the Ivoirian economy, which is one of the most interesting and dynamic in the region. The intern should have good research skills and able to use charts and graphics to illustrate points. French is helpful as many of the sources are in French.

The second part will involve promoting the commercial aspects of the economy. This will involve finding material for the embassy website on commercial opportunities. The intern will also develop a summary of commercial opportunities in Cote d'Ivoire and a presentation-quality document.

The third part will involve doing summary of major issues in Cote d'Ivoire. These can involve political or economic issues. The intern can use discretion as long as the project relates to the Embassy mission objectives.
